PAPER PRODUCTS AND SUPPLIES

BID# 17-106

MAY 17, 2017

ADDENDA ONE

Please incorporate the following revisions and/or clarifications into the Bid:

Does your district have a central warehouse to deliver to and if so what is the address? I did not see a location listed in the delivery section.

See page 2 for the address where paper products and supplies will be delivered.

How will the items be awarded? Is it a lone by line bid or an all or nothing contract?

Refer to Page 8, Article 9 for Bid Award information.

Are there any samples you need before the bid is due? I know the sample section says requested as needed, however page 3 says may 17th is the last day to submit substitution products.

Samples will not be required before the bid is due.

I need to know about the pricing you have used in the past. If you have piggy backed on a bid previously, just tell me which bid that is and I can get the information.

The District piggybacks on the PINCO Bid. Attached is a copy of the district's current pricing of items purchased.

All other terms & conditions remain unchanged.

- END OF ADDENDA ONE -

This Amendment must be signed & returned with your proposal.
